

Date: 8/26/2026

Meeting Called to Order at 6:00pm at N3236 Holmgren Drive

Meeting was properly posted.

In attendance:

Don Fruit

John McGowan

Bob Miller

Jake Deviley

Alyssa Deviley

Brandon Meyer

Possible solutions to the driveway and lawn drainage problems at N3236 Holmgren Drive were discussed.

Motion was made by John, seconded by Bob, to create a ditch from the East side of the driveway 30 to 40 feet to allow drainage down and away from the Deviley's driveway and lawn. Directing water to the ditch will be the responsibility of the homeowners. The Township will install erosion control matting in the bottom of the ditch and seed, but the Township will not be replacing the sod. John and Bob in favor, Don abstained. The motion was approved.

Motion made by John, seconded by Bob, to adjourn the meeting at 6:40pm.
